AI: • Fixed an issue where the AI run on Intermediates for too long • Fixed issue where AI cars would be too fast in the wet.. • More network bandwidth is now reserved for game-critical systems in online sessions.. • Fixed an issue with tyre wear in Practice/Qualifying not being carried over to Race.. This appears as coloured bars (red, amber, green) to indicate the expected online performance of the player in the game session.. As announced, Codemasters have released the second patch for their Formula One 2011 title that was released back in September.. This may result in low-bandwidth users having their voice chat restricted to fewer players, but should result in a smoother online experience. 0041d406d9 [Wondershare Video Converter Keygen](#)
